To All Ownit Mortgage Solutions Friends and Partners in Business,

It is with deep regret that we inform you Ownit Mortgage Solutions will cease operations on December 6, 2006. For the past three years, we have pursued a mission to influence the mortgage industry toward increased affordability options for a changing market of home buyers. Change takes time, and we are saddened that the current unfavorable conditions of the mortgage industry did not afford us sufficient time to see our mission through.

We have been blessed with the opportunity to work with you over the past three years, and we wish each and every one of you success in your endeavors. We look forward to future opportunities to work with you again. Provided below are regional contacts for loan status:
